

**INFORMATION
AMENDMENT TO TENDER DOCUMENTS
Issued on the 5th of June 2012**

for „Procurement of high performance computing equipment”, IOP/3-2012/G

PIU Research and Development Ltd. Belgrade, No. 22-26 Nemanjina street, in the capacity of the Contracting Entity, hereby notifies all persons concerned for „Procurement of high performance computing equipment”, number of the procurement IOP/3-2012/G, that there has been an amendment made in the Tender Documents, part **Technical Specifications**, that reads as follows:

1. LOT 1, item 1.5:

Text: „....Hardware RAID Max Performance: Read/Write: Up to 950MBs/1000MBs....”

has been changed and now reads as follows :

„....Hardware RAID Max Performance: Read/Write: Up to 925MBs/825MBs, Software RAID Max Performance: Read/Write: Up to 1050MBs/1000MBs...”

Rationale: The original specification quoted mean parameter relevant to whole class of requested SSDs. Therefore, PCIe SSD solutions with parameters satisfying corrected specification are acceptable.

2. LOT 1, item 12:

Text: „UPS unit supporting total power 3-5kW, with power strip.”

has been changed and now reads as follows :

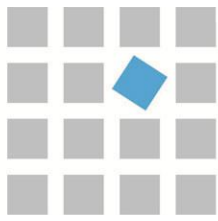

„UPS unit supporting total power 5kW, with power strip.”

Rationale: Considering number of computing nodes that requested UPS will supply, UPS with 3kW output power capacity is not adequate.

3. LOT 2, item 1.1:

Text: "....Up to 256GB Registered ECC DDR3 RAM in 32 DIMMs...."

has been changed and now reads as follows :

"...Up to 256GB Registered ECC DDR3 RAM in 16 DIMMs..."

Remark: Therefore, offers containing motherboard with corrected memory specification for LOT2, item 1.1, are acceptable.

4. LOT 5, item 3.1:

Text: „...Chassis: -1U rack mounted chassis with 6x3.5” SAS/SATA drive bays, minimum 1400W high efficiency power supply...”

has been changed and now reads as follows :

„...Chassis: -1U rack mounted chassis with 3x3.5” SAS/SATA drive bays, minimum 1400W high efficiency power supply...”

Rationale: 1U chassis is a preferred one over 2U chassis.

In order to submit a responsive bid, bidders are expected to prepare their offers in accordance with this amendment.
