Regarding the requests for additional clarification of the tender documents for procurement of capital equipment no IOP/6-2013/G/CEB1-EIB/B from 09/15/2014. we submit the following answer:

Question and Answer No. 24:

(Registered under No. 2672 from 15.09.2014.)

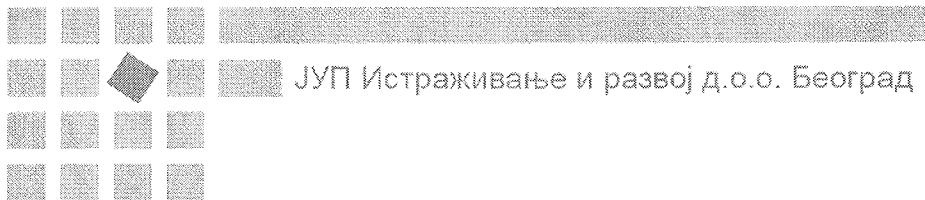

Dear Sirs,

with reference to the below mentioned tender we would like to submit you our official request for the following clarifications:

Your reply to clarification no. 2662/1 dated 12.09.2014 – Question and Answer no. 3 -Bid Security – art. 21

Following our previous request for clarification dated 05/09/2014 and your related reply dated 12.09.2014, we would like to notice you that, according article 21.2 (a) of the Section I – Instruction to Bidders of the tender documents, *"The Bid Security shall be in the form of either a bank guarantee from a banking institution, or a bond issued by a surety."*

We would like to insist on the fact that it is a common practice for similar institutions, such as all tenders financed by European Community funds, to accept this kind of bid bond issued by financial insurance institution, which has the same form of the model of security indicated in Section IV of tender documents.
