Regarding the requests for additional clarification of the tender documents for procurement of capital equipment no IOP/6-2013/G/CEB1-EIB/B, for the period from 07/10/2014, we submit the following answers:

Question and Answer No. 9:

(Registered under No. 3211 of 07.10.2014.)

According Article 33 of Section I of the Instructions to Bidders, the envelope containing the financial offer of bid will be opened only after the technical evaluation has been completed.

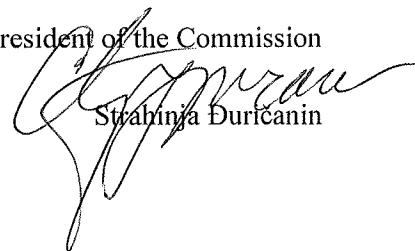

Therefore, we would like to know if the selection criteria of eligibility, ex article 4 of Section I of the Instructions to Bidders, will be evaluated before the examination of the technical specifications, or only after having verified the technical compliance.

Answer:

According to Article 33, First part of evaluation of Technical offers is examination of technical specification and fulfillment of all requirement from Section VI in order to establish (determine) compliance and substantial responsiveness.

Second is examination of the documentary evidence of the Bidders qualifications defined in Section IV.
