Regarding the requests for additional clarification of the tender documents for procurement of capital equipment no IOP/6-2013/G/CEB1-EIB/B, for the period from 22/10/2014, we submit the following answers:

Question and Answer No. 14:

(Registered under No. 3353 from 22.10.2014.)

With reference to Item 761, Lot 2 "Potentiostat and Galvanostat", in the Identification of lots document it is written that 4 pieces are requested. On the contrary, in the Annex there are different quantities for various components.

Please, confirm that we shall supply 4 identical systems to only one destination.

Answer: It is true that these four parts, but it is one system that consists of four parts, in this regard we note that in the Identification of lots quantity is 1.
