#### **QUESTION AND ANSWER no. 4**

Regarding the request for clarification of tender documents for the procurement no. NZN/03/14 - Performing construction, reconstruction and renovation works on the school buildings within School Modernisation Programme, we submit the following answers:

##### **1. BIDDERS QUESTION:**

In the tender documents on page 47/83 - Qualification Form 3.5.3 – Particular experience - it is stated that each member of a Joint Venture and Subcontractor must have fully completed works related to the type of the works which shall be executed on the objects, of similar size and complexity as the objects in question.

We would like to know whether the contracting authority will accept as a member of consortium, company that does not have construction but provides consulting services – bid preparation, plan preparation, site preparation, site monitoring...? Will contracting authority accept as a member of consortium, company that has people with licenses, but that does not have completed works?

##### **ANSWER:**

Each member of a Joint Venture and Subcontractor must have fully completed works related to the type of the works which shall be executed on the objects in question.

Chairman of the Public Procurement Commission
