1	ANNEX 1, Technical Specifications	<p>We submit the question related to LOT 32 in the procedure IOP/09-2015/NCE/2 - Procurement of capital equipment</p> <p>Lot no. 32 specifies the equipment High pressure PVT equilibrium view cell,</p>	<p>Please, refer to Corrigendum no. 9 of the bidding document.</p>

		<p>which is very specific and does not represent a serial product, but it is an instrument made by the order and according to the specific technical characteristics which are demanded by the end user. This is why it is impossible to deliver the mentioned instrument within 90 days, as is defined in the bidding document. Is it possible to extend the delivery deadline for lot no. 32 to 6 months?</p> <p>We mention that you had a similar situation in clarification no. 7 connected to Lot no. 11 and we hope that you shall decide the same in this case as well (in corrigendum no. 3 you extended the delivery deadline for the mentioned item to 7 months).</p>
