to the

Bidding document for procurement of Goods

Publication Ref: ICB No. IOP/11-2015/G

Subject: Procurement of Software application for the needs of scientific and research organizations

Location: Republic of Serbia

The following modifications are made to the Bidding document for procurement of Goods:

In tender documents part: Technical specification, following modifications were made:

I. LOT 1 – items 93 and 94 are deleted from the Technical specification

Due to these changes to the tender documents, lots published on the website of the Purchaser <http://www.piu.rs>, are adjusted, in the following manner:

- If the amendment consists of deleting items, item that will be deleted, it will be crossed in the cell: ID of order will contain a comment with information on the type and how to modify or information on the number of the lot in which the item was moved;
- If the amendment consists of adding items, the item that is added in the cell: ID of order will contain a comment with information on the type and how to modify or information on the number of the lot from which the item was moved;
- If the amendment consists of correction of certain parameters (eg, Product number, Description of the goods, Manufacturer/Catalog), item in which amendment was made in the cell: ID of order will contain a comment with information on the type and nature of corrections.

In order to prepare correct bids, bidders are required to prepare their bids as follows:

- Regarding lots in which changes were not made, the Bids should be prepared in accordance with the original specification published on the website of the Purchaser;
- Regarding lots in which changes were made, the Bids should be prepared in accordance with the latest addendum, published on the website of the Purchaser.

Modification made are given in the table above.

All other terms and conditions of the Bidding document remain unchanged.

The above amendments are integral part of the Bidding document.
