R A T I O N A L E

Purchaser: „JUP Istraživanje i razvoj” d.o.o. Beograd, Nemanjina 22-26, Belgrade

Subject of the procurement: Procurement of software applications for the needs of scientific and research organizations, within the Project Research and Development, Sub-project of the centralized system for stock and purchasing consumables for scientific and research activities.

Procurement is organized in 200 lots. During the procurement procedure there has been deletion of certain lots from the technical specification through the corrigendums of the bidding document so that the final number of lots at the moment of opening of the bids was 188.

Estimated value of the procurement: 92,144,184.00 dinars VAT excluded, i.e. 767,868.20 euros VAT excluded, in accordance with Financial plan for 2015 and Procurement plan for 2015.

Estimated value per lot was determined based on the individual values of goods inserted in the recording system until 16.11.2014 by the project managers, who are the end users of the goods being procured, which was updated upon project managers stating that they no longer need certain goods after publishing the public procurement.

II. EVALUATION OF THE BIDS

Upon opening the bids, the Committee started overview and evaluation of the timely bids. Evaluation was done in accordance with relevant provisions of the Bidding Document which define that - a substantially responsive - adequate and financially acceptable bid is the one that meets the requirements, assumptions and specifications of the Bidding Documents without material deviation, reservation, or omission and in accordance with Section I – Instructions to bidders E. Evaluation and comparison of bids, as well as the Section III - Evaluation and Qualification Criteria.

Section I - Instructions to bidders E. Evaluation and comparison of bids, clause 29. Determination of Responsiveness, sub-clause (29.2) defines that a substantially responsive - adequate bid is one that meets the requirements of the Bidding Documents without material deviation, reservation, or omission.

Also, sub-clause (29.4) defines that if a bid is not substantially responsive to the requirements of Bidding Document or financially does not comply (is not acceptable) with the Purchaser's Procurement Plan, it shall be rejected by the Purchaser, and it cannot be made responsive, at a later time, after the corrections of material deviations, reservation or omission
