

With regard to Request for Clarification regarding tender dossier for procurement of 302 Packages of Building Material, within the framework of subproject III of Regional Housing Programme, reference no. RHP-W3-CM/IOP1-2016, we provide following:

Request for Clarification:

(Filed under number 3371 and dated on 14 June 2017)

1. Please clarify tender dossier regarding transport capacity and answer the following question:

2.

Does Bidder or joint venture/consortium must have at their disposal in total 3+3=6 loaders , with minimum load capacity of 2t and Truckswith minimum capacity of 2 t ? In the case that Bidder or joint venture/consortium prove that they possess 3 loaders with minimum load capacity of 10 and 12 t, will they he fulfill both requests for items 1 and 2 of the transport capacity?

Answer:

In accordance with requirements in tender dossier, and Request for Clarification from 14th June 2017, technical - transportation capacity condition will be duly fulfilled if Bidder/Joint venture/consortium demonstrate that they are in possession of minimum 3 loaders of minimum load capacity of 2t and 3 trucks with minimum load capacity of 2t, i.e. minimum 6 vehicles in total.

n.o.	Name of machinery and equipment	Number of pieces	owned by
1.	Loader, of minimum capacity 2t	3	2
2.	Truck of minimum capacity 2 t	3	2
3.	Forklift	3	2

In accordance with previously stated, follows that bidder/joint venture/consortium will not fulfill stipulated condition if he proves that he satisfies requested condition with 3 loaders with minimum load of capacity 10t and 12t.
