OF MULTI-FAMILY HOUSING WITHIN THE NINTH SUBPROJECT OF THE  
REGIONAL HOUSING PROGRAMME IN THE REPUBLIC OF SERBIA AT THE  
LOCATIONS: NOVI SAD, VRBAS AND PANČEVO

**Public reference: RHP-W9-AB-CW/IOP2-2020**

In the procurement procedure no. RHP-W9-AB-CW/IOP2-2020 the subject of which is the construction of multi-family housing within the ninth subproject of the Regional Housing Programme in the Republic of Serbia at the locations: Novi Sad, Vrbas and Pančevo, the Contracting Authority has received a question from the interested Tenderer:

**Question:**

In accordance with clause 8.1. Instructions to tenderers – Volume 1. Section 1, Tender Document no. RHP-W9-AB-CW/IOP2-2020 - procurement for construction of multi-family housing within the ninth subproject of the Regional Housing Programme in the Republic of Serbia at the locations: Novi Sad, Vrbas and Pančevo, we are sending you a request for clarification.

Lot 1 - Novi Sad in the Bill of Quantities, Excel hydraulic installations numerical calculation for 24 apartments and 70 apartments in the group of works Water system 3.1.2, position 7, we mention that in Excel in the stated position the sum formula is missing, i.e. unit prices are not being added. Please clarify?

**Answer:**

Price for the mentioned position is given as a lump sum, in everything according to the description (calculation of the competent service +6%) and is to be inserted in the end right column.

The Contracting Authority has corrected Excel table for lot 1 – location Novi Sad in order to enable the tenderers to insert the price.
