Procurement no. RID-S/IOP2-2023-"Procurement of furniture for the needs of the Centers of Excellence of the University of Kragujevac"

Dear Sirs,

Can you please answer the following questions related to the public procurement:

1. In case we have several contract with the same investor, is it necessary to submit the „Form – Investor Certificate” for each individual contract or can all contracts be listed in one form? We ask because most investors are not interested in signing a large number of forms and thus we may be left without a meaningful reference.
2. Is it necessary to translate documents into English that are originals in Serbian and are submitted as evidencce (Extract from the APR register, M3 Forms and Contracts for employees, Contract with Investors for the supply and delivery of furniture.... and similar)? Which of the documents as evidencce submitted with the offer must be translated into English

Best regards,
Vesna Crepulja Leković
